

# Society for Modeling & Simulation International

## UPCOMING CONFERENCE UPDATES:

### [Spring Simulation Multiconference 2012](#)

March 26-29, 2012

[Florida Hotel and Conference Center; Orlando, FL](#)

**REGISTRATION NOW OPEN:** <http://scs.org/springsim/2012>

**\*Some tracks are still accepting papers! Visit the SpringSim'12 page (<http://scs.org/springsim/2012>) and go to individual symposia links for deadline information!\***

This year's conference is being held in sunny Orlando, Florida, near world-class amusement parks including Walt Disney World and Universal Studios Florida, as well as excellent shopping and dining districts.

The 2012 Spring Simulation Multiconference (SpringSim'12) is an annual conference (co-located with SISO) which covers state-of-the-art developments in computer simulation technologies, as well as scientific, industrial, and business applications. Areas covered include high-performance computing technologies, models and algorithms, GUI visualization technologies, communications and much more. Application disciplines covered include advanced telecommunication; computer systems; military, government & aerospace; environment, energy, and other industries. The conference includes keynote speeches presented by technology and industry leaders, technical sessions, professional development courses and seminars, as well as vendor exhibits. Scientists, engineers, managers, educators, and business professionals who develop or use simulation tools are invited to participate and present original papers. Proposals are solicited for papers, panels, tutorials, workshops, seminars, exhibits, social activities and for other presentation, discussion and sponsorship formats.

The following topic areas are scheduled:

Agent Directed Simulation (ADS)

45th Annual Simulation Symposium (ANSS)

15th Communications and Networking Symposium (CNS)

Symposium on Theory of Modeling & Simulation - DEVS Integrative M&S Symposium (DEVS)

**Emerging M&S Applications in Industry and Academia Symposium (EAIA)**

**20th High Performance Computing Symposia (HPC)**

**Military Modeling & Simulation (MMS)**

**Symposium on Simulation for Architecture for Urban Design (SimAUD)**

**Poster & Work-in-Progress Track**

**SISO's SIW**

Please note that SCS will have sessions that run Monday, March 26 to Thursday, March 29. SISO's SIW will run from Monday, March 26 through Friday, March 30. Your conference registration includes access to any and all sessions throughout the week.

If you have questions about SpringSim'12, please contact the General Chair, Dr. Hala ElAarag ([helaarag@stetson.edu](mailto:helaarag@stetson.edu)), or contact the SCS office at [scs@scs.org](mailto:scs@scs.org).

**[Power Plant Simulation Conference 2012](#)**

**February 12-17, 2012**

**[Catamaran Resort and Spa](#); San Diego, CA**

**REGISTRATION OPEN-**

**<http://scs.org/confernc/powerplantsim/powerplantsim12/>**

The 2012 Power Plant Simulation Conference (PowerPlantSim'12) is an annual conference sponsored by SCS. The focus of this conference is Nuclear and Fossil Power Plant Training Simulators and can include presentations by technology and industry leaders, technical sessions, panel and roundtable discussions, and vendor exhibits. Contact the PPS 2012 Track Chairs for more information:

**Fossil Track: Bruce Kelly ([bkelly@segainc.com](mailto:bkelly@segainc.com))**

**Nuclear Track: Scott Cupp ([scupp@entergy.com](mailto:scupp@entergy.com))**

**Summer Simulation Multiconference 2012:**

**<http://www.scs.org/summersim/2012>**

**July 8-11, 2012**

## Architecture Complex, Genoa University; Genoa, Italy

SummerSim is a large event usually organized in North America and Europe to provide the opportunity for publishing and presenting top quality scientific papers in the different areas of modeling & simulation (M&S). Focusing on several topical perspectives will illustrate the tremendous evolution of the modeling and simulation community. SummerSim is really an international multiconference involving world experts in the area of M&S with special attention to methodologies, techniques and applications. The 2012 edition will be held in the core of the Italian Riviera, providing participants with the opportunity to enjoy world famous beaches and locations such as Portofino, Cinque Terre, as well as a chance to visit Genoa, Maritime Republic, which, during the Middle Ages, was a critical location in world history. Participants in SummerSim2012 are free to attend sessions and other activities in any of the constituent events, such as SPECTS, SCSC, GCMS, and ICBGM. The SummerSim conference comprises the following:

Summer Computer Simulation Conference 2012 (SCSC): <http://www.msc-les.org/conf/scsc2012/>

Grand Challenges in Modeling & Simulation 2012 (GCMS): <http://www.msc-les.org/conf/gcms2012/>

International Symposium on Performance Evaluation of Computer and Telecommunication Systems 2012 (SPECTS): <http://atc.udg.edu/SPECTS2012/>

International Conference on Bond Graph Modeling & Simulation 2012 (ICBGM):  
<http://scs.org/node/313>

### KEY DATES AND DEADLINES:

Special Session Proposals - January 16, 2012

Paper Submission - February 1, 2012

Notification of Acceptance - March 15, 2012

Final Submission - April 16, 2012

Early Registration - May 2, 2012

If you have any questions about SummerSim'12, please contact SCS ([scs@scs.org](mailto:scs@scs.org))

---

### Autumn Simulation Conference 2012

Please stay tuned for an announcement about SCS's newest simulation conference, tentatively scheduled for late October, 2012. More information coming soon!
